

Accessing Your Email from a Public Computer

- Go to your email provider’s website.
 - Type your email provider’s web address into the address bar and hit ENTER.
 - Examples of email provider web addresses include: hotmail.com, gmail.com, msn.com, or live.com.
- Look for MAIL button or the LOG IN/SIGN IN button.
- Enter your username/email address and password.

PLEASE BE SURE TO SIGN OUT OF YOUR EMAIL WHEN YOU ARE DONE.
