**Candidate Sourcing** – Explore untapped, high-potential talent pools that can give you a competitive edge in competing for talent.

**Job Posting** – Learn how to replace the "same old, same old" language and requirements with postings that attract the best candidates.

**Screening and Interviewing** – Freshen your approach with techniques to ensure the best qualified candidates advance in your process.

## Skill Works: Skills-Based Onboarding & Retention

**When:** August 28, 8:30 a.m. to 10:30 a.m.

**Where:** Fort Collins, 200 West Oak Street (5<sup>th</sup> Floor)

**Cost:** \$39 **Register:** [Skill Works Retention](#)

**Onboarding** – Once you've identified the most promising candidates, you need a ramping-up strategy to ensure their success. Onboarding is the first step toward retaining employees.

**Workforce Training** – To safeguard your invested time and money in hiring, invest in the growth of new people so they'll stay with you. More learning opportunities lead to greater engagement from today's purpose-driven employees. This workshop shows you how to earn their loyalty.
