About the Larimer County Conservation Corps:

The Larimer County Conservation Corps (LCCC) promotes individual development through service for the benefit of our environment and community. Our programs empower corpsmembers to develop personal and professional skills, gain environmental awareness, and actively engage in the community, while developing self-sufficiency to help them become productive members of our community. The LCCC is based in Fort Collins, Colorado and is an accredited corps through the Colorado Youth Corps Association and The Corps Network.

Position Summary:

The Water & Energy Corpsmember role is a temporary, seasonal position performing basic home efficiency assessments in Fort Collins and Loveland, Colorado. Corpsmembers will install efficiency measures and provide water and energy conservation education to residents. Corpsmembers are engaged in a combination of hands-on projects and service learning activities focused on environmental awareness, community engagement and personal and professional skill development. Corpsmembers participate in twenty-one weeks of service within the Larimer County community.
